RIVER & LAND SAFARIS - THE PERFECT WAYS TO EXPLORE AFRICA

.....

"You know you are truly alive when you're living among lions."
Karen Blixen, *"Out of Africa"*

Africa allures like no other destination. From its rivers teeming with wildlife, sweeping plains, primordial craters and towering mountain peaks, the continent's natural beauty and incomparable diversity impart an appeal few can resist.

Experience a safari like no other when you travel with AMAWATERWAYS. Your splendid program includes a four-night stay on board the beautiful **MS ZAMBEZI QUEEN**. Explore the wonders of Chobe National Park and view the magnificent wildlife along the banks of the Chobe River from this unique, intimate vessel. Encounter lions, hippos, crocodiles, giraffes, elephants and numerous other animals on daily excursions by boat or by open-air vehicle.

Enjoy water-based game viewing on smaller boats which enable a close-up look into an environment where the animals do not feel threatened. Discover the **MS ZAMBEZI QUEEN'S** surroundings in a Mokoro (traditional dugout canoe). Explore 14 miles of remote river scenes under wide, open skies in smaller luxury boats. View the wildlife from the comfort of a custom-made, private tender boat with your own private guide, full rain protection, onboard refrigeration and a toilet facility. This is luxuriant game viewing at its best.

The Chobe River supports an array of African game, plant and bird life, including one of the greatest concentrations of elephants

on the continent. From the boat you are likely to observe these mighty giants as well as hippos and crocodiles, and a variety of other wildlife gathering at the water to drink.

On board the **MS ZAMBEZI QUEEN**, you will experience modern accommodations, fine cuisine and an excellent vantage point for exploring the surrounding wildlife. Visit Kasenu village for a cultural interaction with the local community. In the evenings celebrate a typical African Boma Dinner with music and dance in traditional costumes or enjoy an African barbecue on a nearby Namibian island. Fall asleep while the sounds of Africa drift through your open doors at night.

From the **MS ZAMBEZI QUEEN**, a scenic 50 mile morning drive through Zambezi National Park will take you to Victoria Falls. Spend two marvelous days surrounded by the sights and sounds of Victoria Falls, perhaps Africa's most iconic destination.

A TYPICAL DAY IN THE AFRICAN BUSH

During your safari days you will gain a profound appreciation for the rhythms of safari life. Mornings begin early at sunrise when most animals are on the move. Enjoy fresh coffee or tea with fruit or snacks, and off you go with your ranger in your open top, four-wheel drive vehicle for your three to four-hour morning game drive. Return to your lodge in the late morning for a full breakfast during which you can share your experiences with your fellow travelers.

Mid-days are mostly spent in quiet pursuits, perhaps enjoying a massage, relaxing at the pool, reading a book or browsing through the library. Lunch is usually served at the Main Lodge in an outdoor restaurant where you can watch various animals or colorful birds. Late afternoons and early evenings bring another game drive into the bush. Your ranger may follow leopard tracks or he may take you to the recent location of a lion pack's kill. During some game drives you may encounter hundreds of large animals and on other days you may want to focus on bird watching.

In the late afternoon, your ranger will find a scenic spot for a "Sundowner" break with local snacks, refreshments and a large choice of drinks, before your evening bush drive which slowly takes you back to your lodge. Relive your day's adventures with your fellow travelers during your delicious dinner as you admire the Southern Cross and the millions of other bright stars above the African bush. Perhaps conclude your evening with friends over a nightcap at the lodge's bar under the open sky and look forward with excitement to the next day's adventures.

Responsibility towards the environment forms the foundation upon which this eco-boat was built:

- A water jet propulsion system replaces the conventional propeller system, causing no damage to the river bed.
- Only the latest fuel efficient and low emission generators are run during daylight hours, with the boat operating on battery power through the night.
- Hot water is provided by a solar heating system.
- Energy-saving lights throughout.
- Water-saving taps and showers.
- Onboard sewage processing plant.
- Cleaning detergents and soaps are biodegradable.
- Five-stage water purification plant, using river water in showers and tap.

The beautiful **MS ZAMBEZI QUEEN** was specifically designed for safari river cruising on the Chobe River and offers a sophisticated design to maximize animal sightings. Your comfort is ensured when staying in any of the 14 balcony staterooms, all decorated in contemporary style. The air-conditioned top deck of the ship offers a dining room, lounge, bar and pool area for your comfort. GENERAL INFORMATION

Parties: In these terms and conditions, "you" or "passenger" or "participant" refers to the person booking, purchasing or traveling on the cruise, and to individuals traveling as part of that person's reservation. "We" or "us" or "AMA" refers to AmaWaterways, LLC, a California limited liability company ("AWL").

Reservation and Final Payment: To confirm a standard reservation, we require a deposit of \$400 per person within 7 days of placing the reservation (3 days if departure is within 90 days). Final payment is due no later than 90 days before departure (due within one business day of making a reservation that is accepted less than 90 days before departure). Late or non-payment may result in reservation being cancelled. For a promotional cruise and/or land vacation, special payment terms may be required, and will be stated when reservation is made. All payments shall be in U.S. Dollars, unless otherwise stated.

Pricing: Brochure prices are in US dollars, per-person, based on double occupancy of a suite, or land accommodation/hotel room, unless indicated otherwise. Single rates for each program are available at a supplement price ranging from plus 40% to 50%. Please see individual itineraries for amount of supplement or contact us for pricing details. Pricing accuracy is assured only at time of printing. If any of the cost factors increases, such as airfare, transfers, tours, travel insurance, cruise costs, port or dock charges, fuel, insurance, taxes, surcharges, currency exchange or other, we reserve the right to increase the cruise or cruise tour prices without notice.

Airfares: Any intercontinental airfares listed are estimates only, based on travel from New York to the tour embarkation destination for all travel. Published airfares are exclusive of air taxes, airport taxes, government fees; airline imposed fuel surcharges and any other tax or fee charged by an airline or government authority. Airfares from other gateways may be available and we encourage you to inquire about their availability. Airfares, fees and taxes quoted on invoices from us are guaranteed only when full payment is received by us as required on the invoice. Air travel within Africa is required on all three itineraries. The air ticket prices including all fees, taxes, surcharges and any other cost for flights within Africa will be quoted at the time of booking. Small plane charter flights for Botswana's 'African Sunsets' itinerary are included in your tour price. Intra-Africa air arrangements will be provided for you when booking your reservation. Cancellation penalties for intra-Africa air tickets will be the full cost of the ticket.

Prices Do Not Include: Published prices do not include taxes or government fees (for example: federal inspection fees for U.S. Customs and Immigration; international air transportation tax; agriculture tax; security fee); airport taxes and fees; fuel surcharges; passport and visa fees; baggage fees; port taxes and fees; travel, health, accident or other insurance; vaccinations; laundry; additional food and beverages; optional excursions; gratuities or other items or services of a personal nature.

Passport, Visas and Inoculations: A valid passport with 8 open/non-stamped pages is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to the USA. Visas may be required as well. Up-to-date requirements can be obtained from consular offices. We require a copy of your valid passport and visa(s) prior to or at final payment. If not received in this time, embarkation may be denied and cancellation penalties will apply. A non-US citizen must consult appropriate consulates regarding visa and other travel document requirements. Obtaining required visas and any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant's visa or other required documentation and shall not be responsible or liable for delay or missed portion of any cruise or cruise tour or other problems resulting from the participant lacking the appropriate travel documentation. Required inoculations and recommended precautionary measures can be obtained from your personal physician or local health department.

Travel Documents: Only after receipt of full payment, travel documents, including air tickets, will be sent by regular ground delivery within the continental U.S. about 3-4 weeks prior to departure. (Delay in full payment will delay delivery of travel documents). Expedited delivery may be possible for an additional charge of \$25 or the full amount of expedited services, whichever is more.

Air Tickets: Airline and flight schedules are determined based on flight and seat availability of contracted carriers. Air tickets are economy class, unless otherwise requested and additional charge for upgrade is paid, and are issued pursuant to the terms and conditions of the relevant airline(s). Business class may be available for purchase at time of booking; please ask your agent for details. Airlines require your name to appear on your airline ticket exactly as it appears on your passport. Participant must assume name on airline ticket exactly matches name on passport. We shall not be responsible or liable for consequences of name on airline ticket and passport not matching exactly. An effort will be made to obtain direct flights; but these may not always be available. Available direct flights could be overlooked. Thus, air scheduling may involve connections and/or overnight travel. We shall not be responsible or liable for costs resulting from lost air ticket, delay, disruption or cancelled flight; lost baggage or a missed connection. A lost air ticket is solely the passenger's responsibility to remedy with the airline, including but not limited to filing a Lost Ticket Application with the airline.

Custom Air: Special requests may be made through our Custom Air desk for choice of preferred air carrier, flight schedule, and some deviations. Requests must be made at time of booking. Any added costs or expenses will be the participant's responsibility.

Changes: Air tickets that we issue have restrictions. For example, they cannot be reissued, transferred, or exchanged unless approved by the carrier and a fee may be charged by the carrier. A change or refund request must be made through us, but may not be possible. For example, some air tickets are non-refundable. An administrative fee of \$50 per ticket may be charged by us, in addition to airline change and cancellation fees, charged according to the airline's fee schedule.

Limitation on Special Requests of Airline: As a courtesy, we may try to relay a request for particular airline seating or meal, frequent flyer miles, or other assistance to the particular airline. We have no authority to grant a request, which is up to the airline. Whether or not we relay a request to an airline, you or your travel agent must always confirm directly with the airline regarding any such request.

Baggage: Please check with the airline regarding their baggage allowance. Most airlines limit checked bags to either one or two pieces per person, and limit carry-on baggage to one piece per person, in either case, with weight and size restrictions. We shall not be responsible or liable for costs or consequences of participant exceeding the airline's baggage restrictions, or for loss, theft, damage or delay to participant's baggage. We encourage you to purchase a travel protection plan that includes baggage coverage. **African Sunsets itinerary: small charter plane flights have severe luggage restrictions of between 25-44 lbs per person (including carry-on items). All travellers must pack in soft sided luggage (i.e. duffle bag). Please ask your travel consultant about any questions regarding weight restrictions.**

Transfers: A passenger purchasing transatlantic air through us may qualify for a complimentary group transfer on a scheduled arrival between the airport and hotel, and on a scheduled departure between the hotel and airport. The transfer may involve some waiting time. A passenger making his or her own air arrangements will be solely responsible for required transfers. Please ask your agent for more transfer details.

Child Policy: Contact your travel professional for more details.

Cancellation Charges: In the unfortunate event a participant must cancel travel, notice to us must be via email, which must include a return receipt and read notation, or other writing stating clearly and correctly each passenger's name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. If already issued, unused air tickets must be physically returned to us before they can be cancelled. The cancellation penalty for intra-Africa air flights is the full cost of the ticket. Cancellation date is the date we receive the written cancellation notice and unused tickets. A name change or substitution of participant is also treated as a cancellation in that all cancellation charges apply. Cancellation charges are per-person, based on the cancellation date, as follows: (i) more than 121 days before departure: \$200 loss of deposit; (ii) 120-90 days before departure: \$400 loss of deposit; (iii) 89-60 days before departure: 35% of the cruise and land tour price; (iv) 59-30 days before departure: 50% of the cruise and land tour price; (v) 29-07 days before departure: 80% of cruise and land tour price; (vi) 6 days or less before departure: 100% of cruise and land tour price. Cancellation charges also apply to additional charges for upgrades, transfers and any other pre-purchased services. Protection plan premiums are non-refundable. Additional cancellation fees apply for air tickets. After travel begins, there is no refund for unused services, or unused portions of cruise or cruise/tour.

TRAVEL PROTECTION PLAN: TO REDUCE OR MANAGE YOUR RISKS OF FINANCIAL LOSS AND OTHER LOSS ARISING FROM CANCELLATION OR DELAY OF TRAVEL, INJURY, DEATH, LOSS OF OR INJURY TO PROPERTY, AND OTHER RISKS, YOU ARE STRONGLY ENCOURAGED TO OBTAIN ADEQUATE TRAVEL PROTECTION COVERAGE, TRAVEL INSURANCE, ACCIDENT, LIFE, HEALTH, MEDICAL AND OTHER FORMS OF INSURANCE. We offer a travel protection plan issued by Travel Guard, an independent provider of travel protection plans. They are not affiliated with us, and we disclaim any responsibility for them or their plan. Other forms of travel protection are also available. Ask your agent for information.

Agreement; Forum and Jurisdiction for Legal Action: Payment of deposit and/or issuance of final documents shall be deemed consent by participant to these terms and conditions. These terms are deemed to be made, accepted and entered into in Los Angeles County, California. These terms and the rights and obligations of the parties, and any legal or equitable action concerning the interpretation, enforcement, or claimed breach of any term, obligation, or duty as contained or related to these provisions or arising from these terms and conditions, shall be interpreted, construed and governed by the internal laws of California with jurisdiction over such claims to be exclusively in the United States District Court for the Central District of California and/or the Superior Court of the State of California in and for the County of Los Angeles, California, U.S.A. to the exclusion of the courts of any other country, state, city, county or locale. You

agree to consent to jurisdiction and waive any objection that may be available to any such action or proceeding being brought in such courts. You and we waive the right to a jury trial.

Time Limit for Notice of Claims and Filing Legal Action: The parties agree that any notice of claim against us of any nature whatsoever which is connected to, related to or arising from these terms and conditions must be received by us in writing within thirty (30) days after the date of completion of the cruise or cruise tour. No lawsuit may be maintained against us unless the lawsuit is commenced no later than six (6) months after the date of completion of the cruise or cruise tour, and valid service of the lawsuit on us is made within thirty (30) days after commencement of the lawsuit.

Acceptance of These Terms: You acknowledge and agree that we accept your booking subject to the condition that you accept these terms and conditions. These terms and conditions remain in effect until replaced in writing. Any new or reissued terms and conditions are deemed to replace all prior versions. No person, other than an authorized representative of us is authorized to vary, add or waive any term or condition in this brochure. To be effective, any variance, addition or waiver must be in writing, signed by our authorized officer.

Passenger Contract: All ship transport is provided according to terms and conditions of the Passenger Ticket Contract included in the final documentation and available for review at the following website: www.amawaterways.com. The Passenger Ticket Contract is between passenger and AmaWaterways LLC (AWL). It incorporates provisions and limitations under the Athens Convention Relating to the Carriage of Passengers and Their Luggage by Sea, 1974, and the Protocol to the Convention Relating to the Carriage of Passengers and Their Luggage by Sea, 1976, the International Convention on Limitation of Liability for Maritime Claims, 1976, and the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vessels, 1988. Venue for litigation of any disputes under the Passenger Ticket Contract is exclusively in the courts of California

Interpretation: Headings in these terms are only for convenient reference and shall not be used to interpret, construe, define or limit any provision. Whenever logical in the context, references to the singular shall include the plural, and vice-versa. You acknowledge the travel contemplated by these terms is voluntary; you are not obligated to purchase services from us or any particular provider, or at all, and thus you are not obligated or forced to enter into or accept these terms. These terms were developed to achieve a delicate balance and exchange of rights, remedies, limitations, exclusions, risks and risk management and economics between you and us; and the balance provides substantial benefits to you, which we could not offer at the attractive price(s) offered, but for that delicate balance. Absent that balance, prices would be much higher and services would be reduced. Accordingly, the provisions of these terms shall be interpreted and construed according to their fair meanings and not strictly for or against any person or entity. If any provision of these terms is found by a court having jurisdiction to be invalid or unenforceable for any reason(s), such provision shall be deemed to be severed and of no force and effect and all remaining provisions shall remain in full force and effect.

California Seller of Travel Law: We are registered with the California Attorney General, California Seller of Travel Program as Amadeus Waterways, Inc., registration number CST 2065452-40. Registration as a seller of travel does not constitute approval by the State of California.

Upon cancellation of the transportation or travel services, where you are not at fault and did not cancel in violation of any terms and conditions previously clearly and conspicuously disclosed and agreed to by you, all sums you paid us for services not provided will be promptly paid to you, unless you advise us in writing, after cancellation. This provision does not apply where we remitted the payment to another registered wholesale seller of travel or carrier, without obtaining a refund, and where the wholesaler or provider defaults in providing the agreed transportation or service. In this situation, we must provide you a written statement accompanied by bank records establishing the disbursement of the payment, and if disbursed to a wholesale seller of travel, proof of current registration of that wholesaler.

This transaction is covered by the California Travel Consumer Restitution Fund (TCRF) if we were registered and participating in TCRF at the time of sale and you are located in California at the time of payment. Eligible passengers may file a claim with TCRF if the passenger is owed a refund of more than \$50 for transportation or travel services which we failed to forward to a proper provider or such money was not refunded to you when required. The maximum amount which may be paid by the TCRF to any one passenger is the total amount paid on behalf of the passenger to the seller of travel, not to exceed \$15,000. You must file a TCRF claim within one year after the scheduled completion date of travel. A claim must include sufficient documentation to prove your claim and a \$35 processing fee. A claimant must agree to waive (and by filing a claim with TCRF you do waive) any right to other civil remedies against us for matters arising out of a sale for which you file a TCRF claim. You may request a claim form by writing to: Travel Consumer Restitution Corporation; PO Box 6001 Larkspur, CA 94977-6001; or by visiting TCRF's website at www.tcrcinfo.org.

For those who purchase travel from outside of California, this transaction is not covered by the California Travel Consumer Restitution Fund.
