## PRIVATE GUIDED *Moments*

“ This was our first Kensington Tours trip, and it will not be our last. From the 1st time I spoke to my expert I knew it was going to be the trip of a lifetime – and I’m not easy to please! The planning, transfers, tour and hotels – your recommendations were perfect and the process stress free. Our guide was amazing and she truly touched our hearts. We never would have been able to do it without you.
