CANADA

⚓ SMALL-SHIP EXPEDITION

Newfoundland Circumnavigation

JUNE 12-23, 2022

Your Adventure Canada Experience

Immerse yourself in the wonders of nature and culture. Travel alongside scientists, historians, naturalists, cultural educators, and artists, who share their passion and experience with you.

Adventure Canada's expeditions are more than phenomenal expeditions of a lifetime; they are lifelong learning journeys for the heart and mind. Your expedition is an immersive cultural experience both on and off the ship.

Our shipboard program is educational and fun. You can join daily presentations, debates, and workshops that provide perspective and understanding. Our expedition team—experts

OUR EXPEDITION TEAM—EXPERTS IN THEIR FIELDS—ARE APPROACHABLE, AVAILABLE ON DECK AND AT MEALS, AND ALWAYS ON SHORE DURING EXCURSIONS

in their fields—are approachable, available on deck and at meals, and always on shore during excursions. Our unique mix of entertainment and camaraderie is integral to our evening concerts, daily gatherings, and learning opportunities.

Each day, your onboard and onshore programming is thoughtfully planned to make the most of the local environment. Hiking, wildlife viewing, historic sites, community visits, and Zodiac cruising are regular activities. You can spot wildlife from the deck, take a polar plunge, relax in the hot tub, take care of yourself at a stretch class, or unwind with a great book from our onboard library. You choose the activities that are best suited to your abilities and interests.

Enriching Expeditions in Spectacular Locations

Your personal voyage of discovery

Explore and learn about new lands and peoples as you experience the rich cultures and fascinating landscapes we sail to. Take the road less travelled and enrich your perspective during visits to communities, natural habitats, and historic sites that can be otherwise difficult to reach.

Our expeditions are designed to be flexible and allow us to make the best of Mother Nature's conditions. We often make landfall at new places and are able to share new discoveries and local knowledge with you. Your voyage will be marked with thoughtful discussions, expert interpretation, and the spirit of discovery.

Get off the ship, get into a Zodiac!

Cruise among icebergs; search for marine mammals; visit an outpost community; wander remote coastlines... simply enjoy the freedom of being out on the water daily! Our goal is to get you off the ship as often as possible.

Zodiacs free us from the dependency on ports, piers, and other built infrastructure. These safe, stable, versatile boats take you where the action is.

Learn from passionate experts

Why would an esteemed Canada Research Chair, for example, travel with us on a working vacation? It's simple: they can't resist the opportunity to engage, excite, educate, and enlighten you! Make the most of every learning opportunity, aboard and ashore, in geology, botany, marine biology, archaeology, photography, cultural history, and more!

Our hand-picked experts are as excited as you are to be on board. Join them on deck searching for wildlife, share daily meals for personal in-depth conversations, participate in workshops, attend presentations, and learn on the land. The Adventure Canada team has a deep love for discovery, learning, exploration, and growth, and is at your service.

Experience local culture and traditions

From Arctic communities to the fishing villages of former New France, to the outposts of Newfoundland and Labrador, we embrace local music, dance, food, language, and traditions, everywhere we go!

Expedition travel isn't just about what you see, or where you go. It's who you meet and get to know.

Wildlife encounters

Daily excursions with expert guides put you where you are most likely to see wildlife: whales and seabirds in Atlantic Canada; muskox, seals, and polar bears in the High Arctic. Whether viewing on deck, in the Zodiac, or learning during our presentation series, you'll come away with an appreciation for the fine creatures that inhabit our world. Our best practices ensure the safety and integrity of the wildlife we have the privilege to view.

Itinerary

DAY 1: ST. JOHN'S, NL, CANADA

Welcome to St. John's—Newfoundland's historic, vibrant capital. Sailing out of the port of St. John's, Signal Hill keeps watch as we exit the world-famous Narrows. The charming houses of the Battery are always a hit with shutterbugs. Watch for icebergs, whales, and seabirds as we sail!

DAY 2-4: THE NORTHEAST COAST

The northeast coast of Newfoundland is known for the dozens of picturesque villages that dot its rocky shores, and we'll find harbour in one of these unique communities. We look forward to a characteristically warm Newfoundland welcome upon our arrival. Photographers will have their work cut out for them capturing all the special charm of classic island communities and picturesque coastlines.

©Dennis Minty

DAY 5: L'ANSE AUX MEADOWS

L'Anse aux Meadows, a UNESCO World Heritage Site, is the only authenticated Norse settlement in North America. The archaeological remains found here in 1960 date to approximately 1000 CE. Amazingly, the location was first established by a close reading of the Viking sagas.

Today, a superb interpretation centre and several reconstructed Norse-style sod buildings make L'Anse aux Meadows a must-see for any visitor to Newfoundland and Labrador.

DAY 6: RED BAY

The Red Bay Basque Whaling Station became a UNESCO World Heritage site in 2013. Basque whalers operated out of the Red Bay harbour in the 1500s: North America's first export industry.

The interpretation centre at Red Bay is excellent. Here we find tools, personal items, and navigational instruments recovered from the wreck of the whaling ship *San Juan*. The ship was lost in a storm in 1565 and found centuries later submerged in the harbour. We'll visit nearby Saddle Island to learn the history of the whaling industry.

DAY 7: GROS MORNE AND WOODY POINT

Gros Morne National Park's Tablelands, a six-hundred-metre plateau, form one of the world's best examples of exposed mantle. Normally found below the Earth's crust, the mineral-rich rocks support very little life, making the Tablelands an eerie landscape.

We will offer various walking and hiking options here. Views of Bonne Bay are spectacular. Gros Morne's interpretation centre is excellent and the town of Woody Point is a delight to explore.

DAY 8-9: THE SOUTH COAST

The wild and windswept coast of southern Newfoundland is home to a few remaining outpost communities. Visits here are often a highlight of our trips.

There are many choices of unique bays and coves to explore via Zodiac or land excursions. Along the coast, the geology is outstanding, and the plant life is gorgeous. We'll be on the watch for wildlife, too. We'll make the most of every chance to explore this beautiful and remote coast.

DAY 10: MIAWPUKEK (CONNE RIVER)

The First Nations community of Miawpukek became a permanent settlement sometime around 1822. Before then, it was one of many semi-permanent camping sites used by the Mi'kmaw people—who had traditionally travelled nomadically throughout the east coast of Canada.

Since its establishment as a reserve in 1987, Miawpukek has successfully bridged traditional knowledge and contemporary practice. We will receive a formal welcome from local leaders and have a chance to explore this special community.

DAY 11: SAINT-PIERRE, FRANCE

Explore Saint-Pierre, a last bastion of France's colonial territories in North America. The colourful and charming shops and residences of the town of Saint-Pierre reveal its unique historical character.

French food, wine, clothing, and culture are all on offer here. The sweets at the local cafes and bakeries are in high demand. Saint-Pierre offers a taste of European living, just a short sail from the coast of Newfoundland!

DAY 12: ST. JOHN'S, NL, CANADA

On the final day of our expedition, we sail back through the Narrows and into St. John's harbour. We will say our farewells and the expedition team will be on hand to assist you with luggage and transportation arrangements.
